

PART A INTRODUCTION

Rulebook Disclaimer

These Rules and Regulations are designed to provide for the orderly conduct of racing events and to establish minimum acceptable requirements for such events. These rules shall govern the condition of all events, and by participating in these events all participants are deemed to have complied with these rules. NO EXPRESS OR IMPLIED WARRANTY OF SAFETY SHALL RESULT FROM PUBLICATIONS OF, OR COMPLIANCE WITH THESE RULES AND REGULATIONS. They are intended as a guide for the conduct of the sport and are in no way a guarantee against injury or death to a participant, spectator or official. The Race Director shall be empowered to permit deviations from any of the specifications herein or impose any further restrictions that in their opinion do not alter the minimum acceptable requirements.

The purpose of these rules is to run an orderly, competitive, and fair race, emphasizing safety and fun for all involved. The rules are not intended to allow a racer to defeat another with the rulebook, rather than on the track. The rules are not intended to allow one racer to harass another. All protests must be made in writing and the person filing the protest must be prepared to identify themselves to the rider protested. Protests deemed capricious may be denied.

In the event this rule, which states the overall purpose and principles of the Rulebook, somehow is interpreted to conflict with another rule or statement, this rule shall prevail in its literal sense.

By registering an entry, every Competitor (including the Competitor, Family member, Crew member, Sponsor and/or Team owner) agrees to be subject to the rules of this book and any supplements/appendices. Since it is impossible to anticipate every circumstance, the Race Director will rule on any area of dispute that is not clearly covered by these rules. These will be called "Grey Areas". Decisions regarding Grey Areas will be rendered by focusing on the following: common sense, fair play, safety, and good sportsmanship. In the case of any Youth classes, learning and development will also be considered. The word of the Race Director on Grey Areas will be considered final.
